Go-Getters!

The City of Pittsburg in the East Bay is celebrating its 200th anniversary with a grand opening ceremony for its new Pittsburg Civic Center at 1 p.m., Saturday, February 5. The address is 65 Civic Avenue. There's one good reason to cross the bridge for such event. The new building, a vision of glass and steel, was designed by award-winning architect, **Fani Danadjieva Hansen**, AIA, of Tiburon.
