

Tiburon Waterfront Park

Tiburon Waterfront, CA

Architectural Firm of Record: Hansen Associates Architects and Planners
Design Firm: Hansen Associates Architects and Planners

Completion Date: 1980

Role of Nominee: Lead design architect in the citizen's committee for General Plan Review

Point Tiburon is a 38-acre master plan development located on San Francisco Bay in the heart of the Tiburon-Belvedere community of Marin County. Formerly the site of the Southern Pacific Railroad yard, Point Tiburon linear park is a result of the citizen's committee for Downtown plan review and the Town of Tiburon. Fani Hansen was the lead architect in the citizen's committee.

Declaration of Responsibility:

I have personal knowledge of the nominee's responsibility for the project listed above. That responsibility included:

- X Largely responsible for present land use along the waterfront
- Project under direction of nominee
- Nominee's firm executed project as prime consultant
